

Joanna Leyva is a Texas Rising Star Mentor with extensive experience in early childhood education. Since joining the Texas Rising Star program in 2025, she has been dedicated to supporting high-quality care and education for young children and the professionals who serve them.

She holds an Associate of Applied Science in Child Development, an Associate of Arts in Teaching, an Associate of Applied Arts and Sciences, and a Bachelor's degree in Entrepreneurship. Joanna brings more than 17 years of experience working in childcare.

She began her career as a daycare teacher, a role she truly enjoyed, before transitioning into her current position as a Texas Rising Star Mentor, where she continues to support early childhood educators and programs.

She currently works with the Permian Basin Workforce Board and is also an ITSN Specialist in the Permian Basin Area.

You can reach her through the website: www.twc.texas.gov or by work phone at 432-563-5239.
